MEDIA ALERT-FOR IMMEDIATE RELEASE

Keystone Chapter of the Assn. of the U.S. Army Exhibits at AFD on City Island, May 17th, 2008

The Keystone Chapter of the Association of the United States Army (AUSA) is returning this year to exhibit at Armed Forces Day 2008 on City Island, May 17th, 2008.

The AUSA is an organization of individual and corporate members who band together to support the United States Army in a myriad of ways. While there are individual and corporate membership benefits and the association provides many professional development opportunities, the underlying theme is still "Voice for the Army" and "Support for the Soldier."

The Association is also extremely involved in getting better pay, benefits, and working conditions for the soldier, the injured and wounded, surviving spouses and families, as well as Department of the Army civilians and retirees.

The Keystone Chapter membership area covers most of central Pennsylvania. There are Chapters to the east in Philadelphia and the Pocono mountain area as well as to the west in Pittsburgh. Other than the immediate areas surrounding Carlisle Barracks and Letterkenny Army Depot in Chambersburg, the Keystone Chapter takes up much of the rest of south central Pennsylvania.

For information on membership, please contact Dave Gerstenlauer, Colonel, retired, Keystone Chapter President at 717-673-0685 or drop them a note at Keystone Chapter, AUSA, Building 9-109, Fort Indiantown Gap, Annville, PA 17003.
